

Guest Player Rules & Updates

- **Update:** 8U through 10U - 6 guest players allowed
- **Update:** 11U & 12U - 7 guest players allowed
- **Update:** 13U through 19U - 8 guest players allowed
- **Update:** Players rostered in an IYSA or MWC team can only guest play up an age group with a Division 1 or 2 team in the older age group (ex. a player from a 12U MWC team is an eligible guest player for a 13U Division 2 team, but is not an eligible guest player for a 13U Division 4 team.)
- Guest players cannot come from teams of a higher age group regardless of their age (ex. A player born in 2012 is rostered up an age on a 2011 team. This 2012 player is not eligible to guest play for the 2012 team.)
- Guest players of the same age must come from an equal or lower division (ex. A player rostered on a 10U division 5 team is eligible to guest play for a 10U division 3 team, but not vice versa. Also a player rostered on a 8U division 5 South team is eligible to guest play on an 8U division 5 Southwest team, because they are both at the same competitive division level.)
