3) Since this is a change being made less than 7 days it will bring up a form advising you to either request a waiver, if you have a valid reason why you should not have to pay the fee.

This will open an email to the YSSL with the game # as the subject line. Please include in the body of the email why you believe the fee should be waived. The League will either respond with a waiver code you may use to by-pass the fee or the League will respond that the waiver is denied and you will need to put through the change and pay for the fee.
