

Player Pass Options

We wanted to make you aware of an **important update** the YSSL has made regarding player passes beginning this season, Fall 2022. We will no longer **automatically** print the YSSL plastic player passes for a team unless requested. We believe this will be a cost savings for our clubs and give them the flexibility of player movement they are looking for to encourage player development. See below for details.

Once the Player/Roster Registration is submitted (deadline 8/22/22) and approved by the league the club will have 2 options to access team player passes.

1) **USYS paper passes** - These must be printed from the roster page by your club manager. They *must be* separated and laminated by the club to be valid for use at game check in. The referee will not accept a full sheet of passes that have been laminated. They must be separated into individual passes.

- If you choose the option for USYS paper passes, there will be no fees for late adds and transfers. All late adds and transfers will be completed when entered. It will be the responsibility of the club to print the USYS pass for the player once approved.

2) **YSSL Plastic passes** - An email *must be* sent to the YSSL office (yssloffice@gmail.com) requesting plastic passes. The email must include the following...the team code(s), the name of the person receiving the passes, and the full address for the person so we can mail them. A \$25 fee per team will be added to the club account.

- **Important:** If you choose the option for YSSL printed plastic passes, all late adds and transfers will require a \$10 fee. All late adds and transfers will be completed when entered, but the pass will not automatically be printed. To have the pass printed please print the ADD invoice page which appears when you add or transfer a player. (See below example)

This player is now submitted but to have the pass printed you **MUST PRINT THIS PAGE** and mail it with the \$10 fee due (**checks should be payable to YSSL**) and a self addressed return envelope (no postage needed) so we may send the pass to the correct person/location. You also have the option to have the pass issued while you wait at the YSSL office during posted hours.

- Mail the invoice, along with the required fee, and a self addressed return envelope (no postage necessary) to (YSSL at PO Box 724, Arlington Heights, IL 60006). Once received we will apply the fee, print the pass, and mail the new pass to you.
- If you need the new pass more quickly you can either stop by the YSSL office during office hours with the invoice and the fee and we can print the pass while you wait or you can call with your credit card info to (847-818-1440) and provide the player's name, pay the fee and we can print the pass and drop it in the mail to you.
