

The YSSL staff is looking forward to the day we can return to the office. We are monitoring the rapidly evolving situation regarding COVID-19 with the health and safety of our staff and our soccer community in mind. While we enjoy seeing you, we have implemented a few new temporary procedures, if you plan to visit us at the YSSL office.

Once the governor lifts the stay-at-home order, and we are back at the YSSL office, we will require you to do the following before coming into the office:

- Call to make an appointment 847-818-1440
- Wait in your car on the appointment day and text us (we will give you a number when the appointment is scheduled) to let us know you have arrived to be sure any previous appointment has departed.
- Wear a face mask.
- Do not bring extra guests.
- Sanitize your hands and maintain social distancing - we will have hand sanitizer on the table in the hall.
- Cancel your appointment, if you are feeling ill OR experiencing signs or symptoms of COVID-19 OR were recently exposed to someone with symptoms.

We are also committed to working with our clubs virtually. A virtual meeting can be arranged to review your club's needs.

Please call or send an email to schedule an office visit or virtual appointment.

Stay safe.

Jan, Meredith, Patty
